PART-B:

1. Activities reflecting the goals and objectives of the institution:

Ramakrishna Mission and Math was founded by Sri Ramakrishna’s chief apostle, Swami Vivekananda (1863-1902), one of the foremost thinkers and religious leaders of the present age, who is regarded as ‘one of the main moulders of the modern world’, in the words of an eminent western scholar A.L. Basham. The Headquarters of these centres are situated in Belur Math, Howrah, West Bengal. All branch centres of the Ramakrishna Math come under the administrative control of the Board of Trustees, whereas all branch centres of the Ramakrishna Mission come under the administrative control of the Governing Body of the Ramakrishna Mission. Although Ramakrishna Math and Ramakrishna Mission are legally and financially separate, they are closely inter-related in several other ways, and are to be regarded as twin organizations. The Math and the Mission together have 172 branch centres all over India and in different parts of the world.

The motto of Ramakrishna Math and Ramakrishna Mission is: ‘Atmano mokshartham jagad hitaya cha: For one’s own liberation and for the welfare of the world’. The main goals and objectives of these twin organizations based on the principles of Practical Vedanta are:

- To spread the idea of the potential divinity of every being and how to manifest it through every action and thought.
- To spread the idea of harmony of religions based on Sri Ramakrishna’s experience that all religions lead to the realization of the same reality known by different names in different religions. The Mission honours and reveres the founders of all the world religions such as Buddha, Christ and Mohammed.
- To treat all work as worship, and service to man as service to God.
- To make all possible attempts to alleviate human suffering by spreading education, rendering medical service, extending help to villagers through rural development centres, etc.
- To work for all-round welfare of humanity, especially for the uplift of the poor and the downtrodden.
- To develop harmonious individuals through their combined practice of Jnana, Bhakti, Yoga and Karma.

The Maruthi College of Physical Education (MCPE) is one of the institutions in the Vidyalaya which was started in the year 1956. This institution has been named after the great Ramayana hero, Mahavir, also called Maruthi or Hanuman. Faith and devotion are essential factors in the development of strength in any individual. Personal purity and devotion to a great cause are the necessary requisites for a healthy living. Maruthi, who personified in himself these great qualities, has stood as the ideal of manhood to millions of men in our country. And so it is only fitting that this institution is named after him.

VISION

The vision of the college is to provide personal, intellectual and professional growth of its students and staff and to produce an ideal physical education teacher with emphasis on man making and character building education.

41. Any other relevant information:**Play festival**

From 1956 onwards the Maruthi College of Physical Education is conducting children play festival in memory of Sri Ramakrishna's centenary celebrations. This activity renders service to the children studying in Panchayat Union Elementary Schools impart them training in various physical activities related to health, recreation and social harmony. These Government schools do not offer systematic and organized physical education programs to their children due to non-availability of physical education teachers. Around 3000 children from 60 Panchayat Union Elementary schools from two Panchayats are taught various physical exercises such as free hand exercises, flag drills, wands drills, coconut shell drills, flower stick drills, oyilattom and minor games to the devotional and patriotic songs. Also, the students are given awareness of current scientific facts through specifically designed drills. The uniqueness of the programme is that, though the students of Maruthi College of Physical Education train the children approximately 60 schools for 20 days, a common synchronized demonstration by the children from all the schools, numbering 3000, is performed at a single venue before public without any rehearsal.

Unified play day

Unified play day is the concept in which a normal child partnering with an intellectually challenged child in performing the various physical activities. We have been organizing unified play day in our college every year.

Youth Convention

To bring back the national consciousness among the youth, every year Ramakrishna Mission Vidyalaya regularly organizes three day residential youth convention, for the students of our institutions and other institutions across the state. Since it is optional, only the desiring students are taking part in this youth camp. The main objective of this youth convention is to create patriotism, and to make the youth to understand the rich cultural heritage of our country. The camp routine includes prayer, meditation, yoga and, value-oriented topics by special invitees. In this programme, all of our students participate and also serve as the volunteers.

National youth day rally competitions

The Government of India has declared 12th January, as the birthday of Swami Vivekananda, as the National Youth Day. Thereby, the youth of India are exhorted to follow in the footsteps of the great prophet of the modern world. To celebrate this occasion, our college organizes sports competitions, literary competitions, rangoli competitions and float competitions. A procession also is carried out in which about 700 school and college students participate from Vidyalaya institutions and neighboring educational institutions.
