**Internal Quality Assurance Cell (IQAC)**

The National Assessment and Accreditation Council (NAAC), proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure.

As per the NAAC's guidelines, the prime task of the IQAC at Sri Ramakrishna Mission Vidyalaya Maruthi College of Physical Education is to develop a system for conscious, consistent and catalytic improvement in the overall performance of Institution. During the post-accreditation period, the IQAC at SRMVMCPE has channelized all efforts and measures of the Institution towards achieving holistic academic excellence.

Full-Pledged separate IQAC office with ICT devices and internet is also established. IQAC has significantly contributed towards the institutionalizing the strategies and processes for assurance of quality on the College campus through its various steps taken.

**IQAC monitors all the activities of the College:**

- To keep up with the latest trends in the various curricular aspects, IQAC continuously supports and encourages the participation of teachers in various Syllabus Up gradation/ Implementation, workshops / seminars for different levels like universities, Colleges, etc. This gives the hands-on experience of the latest trends, issues, technologies, etc. to the teachers and the same can get implemented through the new syllabus designed by the team for the respective subjects in the new academic year to come. IQAC supports the Internal choice/ Elective subjects so that the students get to learn the subject of their own choice on the college campus.
- IQAC has drastically changed the scene on the College campus regarding Teaching & Learning. Through the continuous follow-up with Curriculum Development Cell and Governing Body, IQAC has successfully implemented the maximum new teaching and learning aids including ICT.
- IQAC supports strongly the Research and Extension activities. It is evident through the number of Research Papers presentation and Ph.D. holders on the campus.
- Infrastructure and Resources of the College are kept up to date through the IQAC Quality standards and initiatives.

- IQAC takes the follow-up of the Scholarships to be received by the SC/ ST students on a regular basis and also ensures that the College and the students get their respective share in time. Placement Cell also is made active through IQAC initiatives.
- IQAC tracks the need for the Best Quality standards through the regular follow-up with the Management for all the stakeholders of the College with keeping the student on the top priority.
