Research Centre

The thrust areas of research prioritized by the institution are fitness, training methods, sports psychology, exercise physiology, sports medicine and yoga. At postgraduate level, M.P.Ed students are encouraged to take up innovative projects in applied research of their own interest and specialization guided by the staff. M.Phil., and Ph.D Scholars have been trained and inspired to take up cross sectional research studies using the professional and arts and science students of various age categories. Tamil Nadu Physical Education Sports University, Chennai, has approved the college as “Research Centre” in December, 2013.
